Please share your thoughts and experiences about long-term wildfire recovery in your community to help guide future actions. Consider joining researchers from Oregon State University in an individual or group conversation from October 17th-23rd in Omak, Okanogan, Tonasket, Nespelem, Pateros, Brewster, Methow, Twisp or Winthrop. The aim of our study is to inform and improve recovery efforts for this and other potential wildfire-affected communities in the future. Call or text to sign up in advance, as space is limited: (360) 378-9447. All participants will receive a gift card to a local store, meals will be provided at group meetings, and Spanish interpretation is available at select meetings. Call Amanda with questions or to sign up: (360) 378-9447. Thank you!
